www.amic.org.bd

Significant Project's Achievements: Monasef & Mayer Hasi Health Center

Monasef and Mayer Hasi Health Center has been implementing under subsidy.

Different strategies and initiative has been taken for the both centers and kept the both under close monitoring. In between, hired Manager experienced in hospital management for Monasef.

Mayer Hasi Center's progress is in a good trend. Hopefully we will be able to reach the break even very soon for both centers.

www.amic.org.bd

Significant Project's Achievements: Hena Ahmed Hospital

www.amic.org.bd

Challenges

- Limited scope of donor funded projects
- Having UN funded project become challenge due to PSEA issue
- Staff turnover due to benefit package
- Income is getting lower due to COVID-19 Impact
- Subsidized institutions also are putting an impact on the income of Health Sector

www.amic.org.bd

Thanks
